

11th EAI International Conference Cloudcomp 2024: Shaping the Future of Cloud Computing

December 10, 2024 | Virtual Event

The 11th EAI International Conference on Cloud Computing (Cloudcomp 2024) is a premier international forum for researchers, practitioners, and industry leaders to present and discuss cutting-edge research, innovations, and applications in the field of cloud computing.

Building upon the success of previous Cloudcomp conferences, Cloudcomp 2024 will provide an in-depth exploration of the latest advancements in cloud technologies, their impact on various industries, and the challenges and opportunities they present.

Cloud Computing: 11th EAI International Conference, CloudComp 2024, Virtual Event, December 9–10, 2024, Proceedings (Lecture Notes of the Institute for ... Telecommunications Engineering Book 430)

Language	: English
File size	: 26327 KB
Text-to-Speech	: Enabled
Screen Reader	: Supported
Enhanced typesetting	: Enabled
Print length	: 431 pages
Paperback	: 194 pages
Item Weight	: 10.2 ounces
Dimensions	: 6 x 0.44 x 9 inches

Conference Themes

Cloudcomp 2024 will cover a wide range of topics related to cloud computing, including:

- Cloud architecture and design
- Cloud virtualization and management
- Cloud security and privacy
- Cloud data management and analytics
- Cloud applications and services
- Cloud infrastructure and platforms
- Cloud economics and governance
- Cloud sustainability and resilience
- Emerging cloud technologies and trends

Why Attend Cloudcomp 2024?

Cloudcomp 2024 offers a unique opportunity to:

- Gain insights into the latest cloud computing research and innovations
- Network with leading cloud experts and industry professionals
- Explore the latest cloud technologies and solutions
- Discuss challenges and opportunities in cloud computing

- Shape the future of cloud computing

Keynote Speakers

Cloudcomp 2024 will feature keynote presentations from world-renowned experts in the field of cloud computing, including:

- Dr. Peter Mell, Principal Scientist at NIST
- Dr. Rajkumar Buyya, Professor at the University of Melbourne
- Dr. Jianwei Huang, Senior Principal Engineer at Microsoft

Paper Submission

Researchers and practitioners are invited to submit original research papers for presentation at Cloudcomp 2024. All submitted papers will be peer-reviewed by a team of international experts. Accepted papers will be published in the conference proceedings and indexed in major academic databases.

The deadline for paper submission is August 15, 2024.

Registration

Registration for Cloudcomp 2024 is now open. Early bird registration rates are available until October 1, 2024.

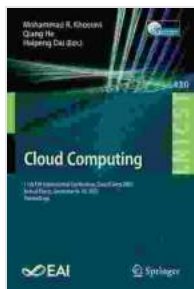

To register for the conference, please visit the Cloudcomp 2024 website:

<https://www.cloudcomp.org/2024/>

Contact Information

For more information about Cloudcomp 2024, please contact the conference organizers at:
