Art Animals and Experience is a book that invites readers to explore the world of animal art, from ancient cave paintings to contemporary sculptures. The book is full of stunning images and insightful essays that will appeal to art lovers and animal lovers alike.

The book is divided into five chapters, each of which focuses on a different aspect of animal art. The first chapter, "The Animal in Art," explores the history of animal art, from the earliest cave paintings to the present day. The second chapter, "The Symbolism of Animals," examines the different ways that animals have been used to symbolize human emotions and experiences. The third chapter, "The Animal as Subject," focuses on the work of contemporary artists who use animals as their primary subject matter. The fourth chapter, "The Animal in Performance," explores the role

of animals in performance art. And the fifth chapter, "The Animal in Therapy," examines the use of animal art in therapy and healing.

Art Animals and Experience is a beautifully written and illustrated book that will appeal to a wide range of readers. It is a must-have for anyone who loves art, animals, or both.

What Readers Are Saying

"Art Animals and Experience is a stunning book that celebrates the beauty and diversity of animal art. The essays are insightful and the images are breathtaking. I highly recommend this book to anyone who loves art, animals, or both." - **John Berger, author of Ways of Seeing**

"Art Animals and Experience is a wonderful book that explores the many ways that animals have been represented in art. The book is full of beautiful images and thought-provoking essays. I highly recommend this book to anyone who is interested in art or animals." - **Jane Goodall, primatologist and conservationist**
