Synopsis

In the ethereal realm, Hart, a fallen seraph, is banished to Earth for her defiance. Stripped of her celestial powers, she finds herself lost and alone in a world she no longer recognizes. But amidst the shadows of our mortal realm, she discovers a flicker of hope: a bounty on the heads of rogue demons who threaten to plunge humanity into chaos.

With each demon she hunts, Hart regains fragments of her former glory. She harnesses lightning, commands ethereal flames, and wields celestial weapons with unmatched precision. Yet, as her powers return, so too do the tormenting memories of her past. The echoes of her fall and the betrayal that led to it haunt her every step.

As Hart delves deeper into her mission, she uncovers an ancient conspiracy that threatens not only Earth but the celestial realm itself. She must confront her own demons, both literal and figurative, to uncover the truth and prevent a war that could shatter the balance between heaven and hell.
