**British NFL Fan Tackles America: A Gridiron Odyssey** is a hilarious and heartwarming account of one man's journey from being a complete novice to a die-hard NFL fan.

Author and lifelong soccer fan Mark Chapman had never seen a game of American football before he moved to the United States. But after being invited to a Super Bowl party, he was hooked. He quickly became a passionate fan of the sport, and soon found himself traveling the country to experience the NFL firsthand.

In **British NFL Fan Tackles America**, Chapman shares his adventures as he attends games at some of the most iconic stadiums in the NFL, including Lambeau Field, Soldier Field, and the Superdome. He also meets some of the biggest stars in the sport, including Tom Brady, Aaron Rodgers, and J.J. Watt.

But Chapman's journey is about more than just football. It's about embracing a new culture, making new friends, and finding a sense of belonging in a foreign land. Through his hilarious and heartwarming stories, Chapman shows us that the NFL is more than just a game—it's a way of life.
