Adair County, Missouri is a great place to go fishing and floating. The county has several rivers and lakes that are home to a variety of fish species. In addition, there are several public access points that make it easy to get on the water.

This guide will provide you with all the information you need to plan a successful fishing or floating trip in Adair County. We will cover everything from where to find the best fishing spots to what kind of bait to use. We will also provide tips on how to stay safe while on the water.

Fishing

There are several different types of fishing that you can enjoy in Adair County. You can fish for trout, bass, catfish, and crappie. The best fishing spots will vary depending on the type of fish you are looking to catch.

For trout, try fishing in the North Fork of the Chariton River or the Middle Fork of the Salt River. These rivers are stocked with trout each year, and they offer some of the best trout fishing in the state.

For bass, try fishing in Adair County Lake or Thousand Hills State Park Lake. These lakes are home to large populations of bass, and they offer some of the best bass fishing in the county.

For catfish, try fishing in the Chariton River or the Salt River. These rivers are home to a variety of catfish species, and they offer some of the best catfish fishing in the county.

For crappie, try fishing in Adair County Lake or Thousand Hills State Park Lake. These lakes are home to large populations of crappie, and they offer some of the best crappie fishing in the county.

Floating

Floating is a great way to relax and enjoy the scenery. There are several different rivers that you can float in Adair County. The most popular rivers for floating are the Chariton River and the Salt River.

The Chariton River is a slow-moving river that is perfect for floating. The river is lined with trees and bluffs, and it offers some of the most beautiful scenery in the county.

The Salt River is a faster-moving river that is perfect for tubing and kayaking. The river is lined with limestone bluffs, and it offers some of the most exciting floating in the county.

Public Access Points

There are several public access points that you can use to get on the water in Adair County. The following is a list of the most popular public access points:

* Adair County Lake Public Access * Thousand Hills State Park Lake Public Access * North Fork of the Chariton River Public Access * Middle Fork of the Salt River Public Access * Chariton River Public Access * Salt River Public Access

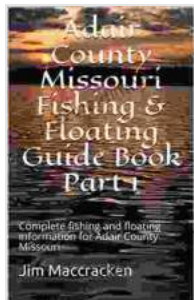

Safety Tips

Here are a few safety tips to keep in mind when fishing or floating in Adair County:

* Always wear a life jacket. * Be aware of the weather forecast. * Let someone know where you are going and when you expect to be back. * Bring plenty of water and snacks. * Be respectful of other boaters and fishermen.

Adair County, Missouri is a great place to go fishing and floating. The county has several rivers and lakes that are home to a variety of fish species. In addition, there are several public access points that make it easy to get on the water.

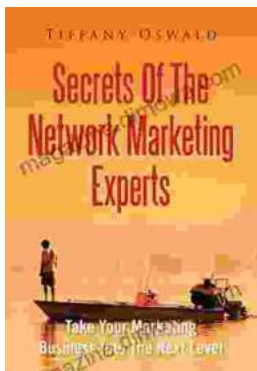

This guide has provided you with all the information you need to plan a successful fishing or floating trip in Adair County. We hope you have a great time!
