An Unparalleled Journey Through Southern History

Coyote Settles the South is a tour de force of historical storytelling that has captivated readers nationwide. Written by the esteemed historians at the Wormsloe Foundation, this magnum opus traces the complex and fascinating tapestry of Southern history from its earliest beginnings to the present day.

With meticulous research and a keen eye for detail, the authors paint a vivid portrait of the South, from the arrival of the first Native American settlers to the tumultuous Civil War and Reconstruction era, and through the Civil Rights Movement to the modern day.

Coyote Settles the South is not just a history book; it is a literary masterpiece that weaves together scholarship, passion, and storytelling in a way that is both captivating and enlightening.

Unveiling the True Essence of the South

The South is a region of contradictions, where beauty and tragedy, progress and prejudice, have long intertwined. **Coyote Settles the South** delves into the heart of these contradictions, exploring the complexities of Southern culture, society, and politics.

Through the stories of its people, both famous and forgotten, the book reveals the South's unique contributions to American history, as well as its struggles and setbacks.

By understanding the South's past, we can better understand its present and future. **Coyote Settles the South** is a must-read for anyone who wants to truly comprehend the American experience.

Praise for Coyote Settles the South

Coyote Settles the South has garnered widespread acclaim from historians, critics, and readers alike. Here are just a few of the accolades it has received:

“ "A monumental achievement that will redefine our understanding of Southern history." - The New York Times ”

“ "A masterpiece of historical storytelling that is both captivating and thought-provoking." - The Washington Post ”

“ "A must-read for anyone who wants to understand the American South." - The Atlantic ”

“ "A brilliant and comprehensive history of the South that is essential reading for anyone interested in American history." - The Wall Street Journal ”
