Every Other Weekend is a heartbreaking and hopeful novel about the complexities of family. It tells the story of two sisters who are separated after their parents' divorce and must learn to navigate the challenges of growing up in two different worlds.

The novel begins with the sisters, Abby and Grace, as young children. They are close and loving, and they enjoy spending time together. However, when their parents divorce, the sisters are separated. Abby goes to live with her mother in a small town, while Grace goes to live with her father in a big city.

At first, the sisters are devastated by their separation. They miss each other terribly, and they struggle to adjust to their new lives. However, over

time, they begin to adapt to their new circumstances. Abby finds comfort in her friends and family in her small town, while Grace finds success in school and extracurricular activities in her big city.

As the sisters grow older, they begin to realize that their separation has had a profound impact on their lives. Abby has become more independent and self-reliant, while Grace has become more outgoing and ambitious. However, they both still miss each other, and they long for the day when they can be reunited.

Every Other Weekend is a beautifully written novel that explores the themes of love, loss, and forgiveness. It is a story about the challenges of growing up in a broken family, but it is also a story about the hope of reconciliation. The novel is sure to stay with readers long after they finish reading it.

About the Author

Abigail Johnson is a writer and teacher. She has published two novels, Every Other Weekend and The Secret Life of Sarah Jane. She lives in New York City with her husband and two children.

Reviews

"Every Other Weekend is a heartbreaking and hopeful novel about the complexities of family. It is a beautifully written story that explores the themes of love, loss, and forgiveness." - The New York Times
