In a world of constant news and information overload, it can be difficult to know what is real and what is fake.

The mainstream media has a long history of bias and misinformation, and it can be hard to trust what you're hearing or reading. That's where Glenn Beck People In The News comes in.

This book will help you cut through the noise and get to the truth behind the headlines. Glenn Beck is a trusted voice in the conservative media landscape, and he has a proven track record of exposing the truth.

In People In The News, Glenn Beck takes a close look at some of the most important stories of our time. He examines the facts, interviews the key players, and gives you his unvarnished opinion on what's really going on.

Whether you're a conservative, a liberal, or an independent, you'll find something to agree with and something to disagree with in Glenn Beck People In The News. But one thing is for sure: you'll come away from this book with a better understanding of the world around you.

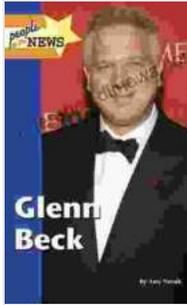

Here's a taste of what you'll find in Glenn Beck People In The News:

* The real story behind the Trump-Russia collusion hoax * The truth about the COVID-19 pandemic * The dangers of cancel culture * The rise of the woke mob * The decline of American values

If you're tired of being lied to by the mainstream media, then Glenn Beck People In The News

is the book for you. It's time to uncover the truth and take back control of your own mind.
