A Dark and Twisted Retelling

Heart of Tin is a dark and twisted retelling of The Wonderful Wizard of Oz. The familiar characters you know and love are all here, but they're not the same. The Scarecrow is a heartless killer, the Tin Man is a cold and calculating machine, and the Cowardly Lion is a cowardly bully.

Amy Gumm

Amy Gumm is the only one who can stop Dorothy. She's a brave and determined young woman who has lost everything. Her family, her friends, and her home have all been taken from her. But she's not going to give up. She's going to fight for what's right, even if it means facing her own demons.

The Wicked Witch of the West

The Wicked Witch of the West is not the one-dimensional villain you remember from the movie. In *Heart of Tin*, she's a complex and tragic figure. She's a woman who has been wronged, and she's determined to get revenge. But she's also capable of love and compassion.

The Road to Oz

Amy Gumm's journey to Oz is a long and dangerous one. She'll have to face her own demons, as well as the dangers of the Yellow Brick Road. But she's not alone. She has her friends, and she has her heart of tin.

The Heart of Tin

The heart of tin is a metaphor for Amy Gumm's strength and determination. It's a reminder that even the weakest of us can overcome anything if we have the courage to face our fears.

Heart of Tin is a must-read for fans of The Wonderful Wizard of Oz and dark fantasy. It's a dark and twisted tale that will keep you on the edge of your seat from beginning to end.
