**Two of the greatest quarterbacks in NFL history, Joe Montana and Steve Young, played together for the San Francisco 49ers for eight seasons.**

During that time, they won four Super Bowls and revolutionized the quarterback position. Montana was the cool, efficient leader, while Young was the athletic, improvisational playmaker. Together, they formed one of the most dynamic quarterback tandems in NFL history.

But their relationship was not always easy. Montana was the established star, while Young was the young up-and-comer. There were times when they clashed, but they always managed to put their egos aside and work together for the good of the team.

In this book, author John Shea tells the inside story of the Montana-Young rivalry and friendship. He draws on interviews with both players, as well as coaches, teammates, and family members, to provide a detailed and nuanced account of one of the most fascinating relationships in NFL history.

The book is a must-read for fans of the 49ers, Montana, and Young. It is also a valuable resource for anyone interested in the history of the NFL.
