In this inspiring and beautifully written memoir, author Sarah Baxter recounts her transformative pilgrimage on the Camino de Santiago, a 500-mile journey across northern Spain that has been attracting pilgrims for centuries.

Sarah's pilgrimage began as a way to escape the grief of losing her husband to cancer. But as she walked the Camino, she found herself not only healing from her loss, but also discovering a new sense of purpose and meaning in life.

Along the way, Sarah meets a colorful cast of characters, including fellow pilgrims, albergue owners, and local villagers. She also experiences a range of emotions, from despair and loneliness to joy and gratitude.

But through it all, Sarah's faith in herself and in the power of the Camino grows stronger. She learns to embrace the challenges of the journey, to live in the present moment, and to find hope in even the darkest of times.

Pilgrimage is a story of love, loss, and redemption. It is a testament to the power of the human spirit to heal and to find new meaning in life, even in the face of adversity.
