Step into the Shadowy Depths of Oz

Once upon a time, there was a little girl named Dorothy who was swept away to a magical land of Oz. But what if that story was just the tip of the iceberg? What if there was a darker side to Rainbow Land, a side that was hidden from the unsuspecting eyes of children?

In the *Dorothy Must Die* Novella, author Amy Sterling Casil takes us on a thrilling journey into the twisted underbelly of Oz. This captivating tale introduces us to Amy Gumm, a sixteen-year-old foster child who has always felt like an outsider. One day, she finds herself drawn into the world of Oz, where she discovers that the beloved characters of her childhood are not what they seem.

Dorothy, once a symbol of innocence and hope, is now a ruthless tyrant who rules Oz with an iron fist. Glinda, the Good Witch, is a manipulative sorceress who uses her magic to control the minds of her followers. And the Wicked Witch of the West? She's not as wicked as everyone has been led to believe.

As Amy delves deeper into the mysteries of Oz, she uncovers a sinister plot that threatens to destroy Rainbow Land. With the help of a ragtag group of rebels, she sets out to overthrow Dorothy and restore balance to the once-magical realm.
