About the Book

In *The Little Book of Valuation*, Aswath Damodaran, one of the world's leading experts on valuation, provides a comprehensive and accessible guide to the art of valuing companies, investments, and real estate. With his trademark clarity and wit, Damodaran demystifies the valuation process and shows readers how to make informed decisions about their financial future.

The book covers a wide range of valuation topics, including:

- The different types of valuation

- The key factors that affect valuation
- The most common valuation methods
- How to interpret and use valuation results

Whether you're a professional investor, a business owner, or simply someone who wants to make informed financial decisions, *The Little Book of Valuation* is the perfect resource for you. Damodaran's clear and concise explanations will help you understand the complex world of valuation and make better decisions about your money.

About the Author

Aswath Damodaran is a professor of finance at the Stern School of Business at New York University and one of the world's leading experts on valuation. He is the author of numerous books and articles on the subject, including *Corporate Finance: Theory and Practice*, *Applied Corporate Finance*, and *Investment Valuation*. Damodaran is also a regular contributor to the *Financial Times* and *Wall Street Journal*.

Praise for *The Little Book of Valuation*

"Aswath Damodaran is one of the most respected valuation experts in the world, and *The Little Book of Valuation* is his magnum opus. This book is a must-read for anyone who wants to understand the art of valuation." —

Martin Whitman, Chairman, Third Avenue Management

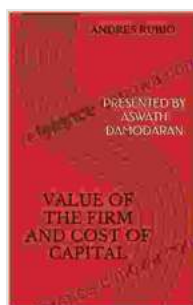

"Damodaran has done it again! *The Little Book of Valuation* is a clear, concise, and comprehensive guide to valuation. This book is essential reading for anyone who wants to make informed financial decisions." —

Carol Loomis, former Editor, *Fortune* magazine

"Aswath Damodaran is the go-to expert on valuation. *The Little Book of Valuation* is the perfect resource for anyone who wants to learn about this complex topic." —**Michael J. Mauboussin, Head of Global Financial Strategies, Credit Suisse**
