The title story, "The Little Mistake," is about a young woman named Sarah who makes a mistake that will change her life forever. Sarah is a bright and ambitious girl, but she is also naive and impulsive. When she falls in love

with a charming but reckless man, she makes a decision that she will come to regret.

The other stories in the collection are just as compelling. "The Farmer's Daughter" is about a young woman who struggles to find her place in a world that is changing around her. "The Preacher's Son" is about a young man who must choose between his faith and his love. And "The Town Drunk" is about a man who has lost everything, but who still finds a way to redeem himself.

These are just a few of the stories that you will find in *The Little Mistake*. These are stories that will make you laugh, cry, and think. They are stories that will stay with you long after you have finished reading them.
