

Wrestling With The Horror That Destroyed Family And Crippled Sport

In the annals of professional wrestling, the Von Erich family stands as a tragic and unforgettable tale. A dynasty of gifted athletes, the Von Erichs captivated audiences with their high-flying style and charismatic personalities. But behind the glitz and glamour lay a dark secret: a cycle of addiction, mental illness, and untimely deaths that would ultimately shatter the family and leave an indelible scar on the sport.

In his gripping memoir, "Wrestling With The Horror That Destroyed Family And Crippled Sport," Kevin Von Erich, the lone surviving brother, recounts the harrowing journey of his family. From their humble beginnings in Texas to their meteoric rise to fame, Kevin paints a vivid portrait of a family torn apart by tragedy.

At the heart of the book lies the story of Kevin's older brother, David. A charismatic and talented wrestler, David seemed destined for greatness. But his demons proved too powerful. Plagued by depression and addiction, David took his own life in 1984, leaving behind a shattered family and a gaping hole in the wrestling world.

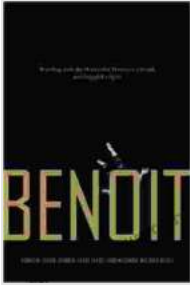

David's death was just the beginning of the family's nightmare. In the years that followed, Kevin's other brothers, Kerry, Mike, and Chris, would also succumb to addiction and mental illness. One by one, they fell victim to the same demons that had claimed David, leaving Kevin as the sole survivor of a once-proud family.

In "Wrestling With The Horror That Destroyed Family And Crippled Sport," Kevin Von Erich doesn't shy away from the ugly truth. He lays bare the devastating effects of addiction and mental illness, and he exposes the dark underbelly of the professional wrestling business.

But the book is more than just a tale of tragedy. It is also a story of resilience and hope. Kevin Von Erich has dedicated his life to helping others overcome addiction, and he uses his platform to raise awareness about the dangers of mental illness.

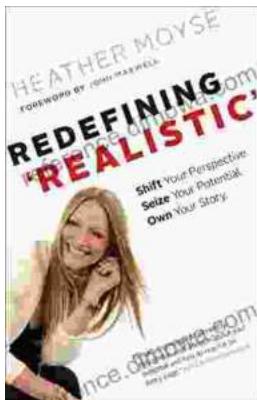

"Wrestling With The Horror That Destroyed Family And Crippled Sport" is a must-read for anyone interested in the history of professional wrestling or the devastating effects of addiction and mental illness. It is a powerful and deeply moving memoir that will stay with readers long after they finish the last page.
